**WRITING**

- B. Now, use your sentences from Part A to write a paragraph telling with whom you go to these places, what the places are like, and what you do when you are there.

Writing activities

Write this sentence in Spanish: "I like to go to the park with my family on weekends."

Write five sentences about your favorite place to go with your family or friends. Use the following words to help you:

- place: parque, playa, cine, restaurante, museo, biblioteca, tienda, etc.
- with whom: mi familia, mis amigos, mis tíos, mis primos, etc.
- what it's like: grande, pequeño, bonito, hermoso, etc.
- what you do: caminar, nadar, comer, leer, etc.

My favorite place to go with my family or friends is the parque. It is a grande and bonito park with a playground for children and a restaurante where we can eat delicious food. I like to nadar in the lake and caminar along the paths. My parents always buy me a helado after we finish our walk. I also enjoy leer books in the biblioteca there. Overall, it's a great place to spend time with my family.
